Use this page to think about all your strengths and skills

Who are the people on your team, the ones who are your friends, family, or support you?
Write them into the circles!

What changes will you need to prepare for as you move to secondary school? How can you prepare for them now?

MYTH BUSTERS

I'VE HEARD...

We like to write our thoughts on a piece of tissue paper, the things we've heard, the changes, the rumours our worries. Then we talk them through and then we do our best "KAPOW!" through the tissue paper showing we are stronger than our worries!

TRUTH WINS

We hear lots of rumours at secondary school.
Visit our website or chat to some older pupils
to find out if any of them are really true!

**I AM
CAPABLE**

**I AM
STRONG**

**I AM
PREPARED**

**I AM
GOOD**

**I AM
BRAVE**

**I AM
WISE**

Practice saying these sentences! They are true, even if you are growing in them!!
